

June 11, 2010

Dear Parents:

The tuition rates for 2010-2011 have been established. It is a difficult process trying to balance expenses with trying to contain tuition increases. Tuition is the major source of income for the school. Yet, I know these are difficult economic times and many families have been adversely affected. As a result of these circumstances, all salaries for employees of the Diocese have been frozen for the 2010-2011 school year.

As you know, the amount of tuition paid depends upon the amount of **SCRIP** purchased from **July 1, 2009** through **June 30, 2010**, completion of the required service hours and attendance at the mandatory Parent/Teacher Meetings. The attached tuition information sheet will help clarify the amount of tuition due per family. As per your contract, you must still be actively involved in parish activities and support the parish (suggested \$10.00 per week minimum) in order to be placed at the Participating rate.

We are committed to providing your child with a values-based, quality Catholic education in a cost effective manner.

If there are any questions, please feel free to call the school office and we will try to answer them. (643-6691)
