

St. Catherine of Siena School
Jr. High Service Hours 2008-09

The St. Catherine of Siena School's Student Learning Expectations state that "We are Catholic Learners who have knowledge of Church teachings and traditions, practice gospel values and citizenship through service to others and demonstrate respect for all individuals." Service hours help students develop social responsibility in the practical application of the Gospel and learn how their actions bring positive change to the lives of others.

With this in mind, beginning this school year all junior high school students will perform service hours as follows:

6th grade: Service at home 2 hours; Service at school 2 hours

7th Grade: Service at home 3 hours; Service at school 3 hours

8th Grade: Service at home 2 ½ hours ;Service at School 2 ½ hours
Service to parish 2 ½ hours;Service to larger Community 2 ½ hours

Teachers will help students with ideas for completion of service hours. 8th Grade hours must be completed before graduation.
