

St. Catherine of Siena School

Photography Release Form

Throughout the school year, opportunities arise for candid pictures to be taken of our students as they participate in academic and extracurricular activities. Often, we have the occasion to use some of these pictures in newspaper releases and also in our quarterly newsletter. We will only use pictures of students who have parental permission release forms on file. If you would like your child/ren to qualify for our news releases please sign this form and return it to the school office.

I give my permission, to the Administration of St. Catherine of Siena School, for the release of photographs of my child/ren:
